A highly motivated AIML student seeking an opportunity as a software Developer or Web Developer to utilize my programming, database, and web development skills in building innovative applications, enhancing user experiences, and contributing to the growth of the organization while continuously expanding my technical expertise.

Education

Dadi institution of engineering and technology, Anakapalli	2023-2027
B.Tech-(AI & ML) -CGPA – 79%	Anakapalli, Andhra Pradesh
Sri Chaitanya junior college	2021-2023
Intermediate – MPC – percentage – 75%	old Gajuwaka, Visakhapatnam
Sai vidya Niketan High School	2008-2020
SSC(10th Grade) – percentage – 98%	New Gajuwaka, Andhra Pradesh

Internship

AL-ML virtual internship

Cloud virtual internship

AWS virtual internship

Process mining virtual internship supported by Celonis

Ethical hacking virtual internship

Projects

Smart door lock system

A smart door lock system is an electronic locking device that allows users to lock or unlock doors using digital methods such as a smartphone, keypad, fingerprint, or RFID card instead of a traditional key.

Vehicle accident alert system

A vehicle accident alert system is a safety system that detects accidents using sensors (like accelerometers or vibration sensors) and automatically sends an alert message with the vehicle's location to emergency contacts or rescue services.

Employee salary prediction using ML & Flask

Employee Salary Prediction System: Developed a machine learning model using Python and Scikit-learn to predict employee salaries based on experience data. Built a simple web application using Flask to provide real-time salary predictions through a user-friendly interface.

Technical skills

Programming language: Python, SQL, Java

Web Technologies: HTML, CSS

Frameworks and tools: Git, GitHub, vs code

Core Information and Technology concepts: Artificial Intelligence, BMS, Computer Networks.

Soft skills: Teamwork, Time management, Critical thinking, Communication

Certification

Python Essentials-1 Python essentials-2 Quantum fundamentals

Personal Details

Date of Birth: 04-02-2005

Languages Known: Telugu, English

Declaration

I hereby declare that above information is true and correct to the best of my knowledge.

Place: Gajuwaka
